Sir:

REQUEST FOR RECONSIDERATION OF TERMINAL DISCLAIMER

In the present application, the terminal disclaimer was filed on August 16, 2005 pursuant to an outstanding Office Action. Applicant subsequently received an Advisory Action indicating that the Terminal Disclaimer was disapproved because the Attorney was not on record. However, the undersigned Attorney, who executed the Terminal Disclaimer, also filed the original case and executed the transmittal papers.

From a discussion with the paralegal in charge of this Art Unit, the undersigned was advised that, although the change of Power of Attorney had been filed in the parent application, Serial No. 09/299,850, which change of Power of Attorney indicated a full power of substitution to prosecute the parent application, as well as Continuations (the current case 10/757,052) and Divisionals of that parent application, the paralegal indicated that the Applicant must file a copy of the Power of Attorney in the current case

also.

Therefore, included herewith is a copy of such change in the Power of Attorney and a Revocation of the previous Power of Attorney that had been filed in the parent case.

The Applicant also requests reconsideration of the Terminal Disclaimer because it is proper as executed by an Attorney with the granted Power of Attorney for this application.

The Applicant submits that the application is in order for allowance and respectfully requests a formal Allowance at the Examiner's earliest convenience.

Applicant knows of no fees due herein with this submission. However, if any charges or credits are necessary, please apply them to Deposit Account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
